16 **STIPULATION**

17 The parties agree to continue the hearing in the above-captioned matter from March 3, 2011
18 until March 31, 2011 at 2:00 p.m. The purpose of the continuance is to allow time for defense
19 counsel to review recently-provided discovery and confer with his client as an aid to possible
20 resolution. The requested continuance takes into account the absence of defense counsel from the
21 district for a period of 13 days during the month of March.

22 It is so stipulated.

[PROPOSED] ORDER

The Court finds as follows:

The ends of justice are served by granting the requested continuance, given that failure to do so would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence and would deny the defendant the continuity of counsel.

The aforementioned ends of justice outweigh the best interest of the public and the defendant in a speedy trial.

Accordingly, this matter is continued until March 31, 2011 at 2:00 p.m. Pursuant to the Speedy Trial Act, Title 18 United States Code §§3161(h)(7)(A), the period from March 3, 2011 until March 31, 2011 is excluded in computing the time within which the trial of this matter must commence.

IT IS SO ORDERED.
